

Dear David,

You'll never guess what's happened — I've got a job! I saw an advert (1) ... an administrative assistant at London Insurance, and sent in my CV, more (2) ... curiosity than anything else. Well, to my surprise, I got an interview, and I managed to convince them that insurance is (3) ... very career path I intend to pursue. Apparently, they were impressed with my ambition, especially when I said I was looking for the job (4) ... good promotion prospects, and (5) ... week later I was offered the job. They seem to look after you well — for example, I was told to send in a claims form so that they could pay (6) ... my travel expenses to the interview. Little things like that make all (7) ... difference. So I'm actually starting work on Monday David, why don't you apply? They take (8) ... 20 new graduates each year. It would be right up your street.

Best wishes,

Dan
