

The days when people would go to a zoo for (1) ... are long gone. Today's zoos play a role in the protection of threatened species. The way animals are treated in a zoo has changed, too. Many intelligent animals suffer from (2) ... in captivity and their keepers now try to improve the (3) ... state of animals in their care. They do this, for example, by providing the animals with a variety of different food or by changing the animals' daily routine. Although some critics of zoos remain (4) ..., there can be no doubt that animals in Zoos today enjoy a more comfortable existence than in the past.
