

(1) What's ... right age to leave home? These days, many people continue to live with their parents into their twenties, or even thirties. In my opinion, we should leave home early, but it is not... option for everyone.

(2) Probably... main reason why people stay with their parents is because they cannot afford to leave. You need to have a job and be able to pay your rent and bills. In ... addition, you have to pay for your own food and clothes.

(3) On the other hand, leaving home gives you ... greater freedom. You can also find flatmates who share your interests, so life can be ... fun.

(4) Another consideration is that we suddenly have to do everything ourselves, but we can learn a lot from it. As ... result, we become more able to take ... care of ourselves. All in all, I think it's good to move away from home when we are young because it teaches us to be independent.
