

Since 2015 I (1) ... a dog called Maggie. I never like to stay away from home too long, because I know she will be waiting for me to return. You've seen my dog, haven't you? I think you (2) ... her when I was at the office yesterday. She (3) ... next to me when you came in. She is the whitest, most beautiful dog I have ever seen. She (4) ... once, however. One day, when I was in the country with Maggie, someone I (5) ... before grabbed her and angrily said to me that she was his dog, but I said to him that this dog was mine! This story was not funny then, but I laugh at it now. However, I (6) ... careless with my dog because she is very precious to me. What I want is always to love and protect her. It is difficult for me to imagine life without her.

Какое слово (словосочетание) пропущено на позиции (5)?
