

Fashion trends are endlessly recycled. Styles that were popular in the 80s, 70s, 60s and 50s and even earlier than this, continue to inspire today's designers. Even people (1) ... in producing top fashion labels (2) ... back to the clothes of the past. They often find their best ideas in things (3) ... by the young people from previous generations, and reproduce these rather than creating something completely new. This means that if a style looked good and was popular before, there is every (4) ... that it will be again. So take a look at photos of your parents or grandparents when they were your age. They might give you some ideas for your own wardrobe!
