

The Eaglewing Aviation School is for students who are genuinely fascinated by planes and aircraft (1) ... general. Whether you're interested in the mechanics, in designing them, maintaining them or flying them, this is the place to be! Apart (2) ... the regular curriculum, we spend time studying aircraft as well as working on them on a daily basis. It might sound like an entertaining way to spend your time but, (3) ... actual fact, it's quite challenging.
