

Расположите реплики так, чтобы получился связный диалог. Выберите один из предложенных вариантов ответа.

A. Me too. I can't work when there are other people in the room with me. But sometimes if the work is hard, I want to be with my friend.

B. Yes, that's OK sometimes. And when you want to learn something, some vocabulary because that's sometimes boring.

C. Sometimes. If I have to write something, I like to be alone. What about you?

D. What do you mean?

E. Do you prefer to study alone?

F. You know, we can help each other, give each other some ideas.
