

1. Camping Safari

This safari in the Masai Mara Game Reserve offers comfortable accommodation in tents which are fully equipped with beds, sheets, blankets and mosquito nets. Each day there is a drive through the reserve. Back at the camp in the evening you will enjoy a meal cooked over a traditional wood fire. Optional activities include guided nature walks and a visit to Lake Bogoria, which is generally covered with huge flocks of flamingos. However, there are other attractions at the lake, such as the magnificent hotspots.

2. Family Safari

This safari has been created with families particularly in mind. Guests will stay at the comfortable, family-friendly Norfolk Hotel in Nairobi, which boasts one of the best swimming pools in Kenya. Don't miss a visit to the Giraffe Centre, a self-guided forest hike followed by an up-close encounter with tame giraffes. But this is not just a city holiday. There are morning and evening game drives against the magnificent backdrop of Mount Kilimanjaro, all suitable for small children as there are always plenty of big wild animals to see, including elephants, leopards and the now rare Serval cat. The hotel also offers an evening babysitting service.

3. Cultural Safari

All visitors spend their first night at a small lodge situated in a lush wooded area close to the Masai Mara Game Reserve in Kenya. Thereafter, you will stay in several locations, including in a tribal bush village where you will have the wonderful opportunity to learn about the Masai culture and traditions and purchase some of their unique handicrafts. A short drive from the village will also take you to meet nomadic hunters or 'bushmen' from the Hadzabe and Datoga tribes. This safari experience also includes several game drives through the reserve, where you may be lucky enough to have the chance to photograph the spectacular annual migration of one million wildebeest (*антилопа гну*) across the plains.

4. Chimpanzee Safari

At the beginning of this tour, visitors are treated to an overnight stay in a cottage built in the colonial style of a hundred years ago and overlooking Lake Tanganyika, estimated to be the second largest freshwater lake in the world. Then, three days are spent tracking chimps in the forest, which is a truly unforgettable experience. Photography is permitted but care should be taken not to upset or frighten the animals. During this part of the tour, accommodation is in luxury tents. The safari ends with a climb to the majestic Kakombe Waterfalls.
