

При выполнении заданий с кратким ответом впишите в поле для ответа цифру, которая соответствует номеру правильного ответа, или число, слово, последовательность букв (слов) или цифр. Ответ следует записывать без пробелов и каких-либо дополнительных символов. Так как на экзамене распознавание апострофа в бланках ответов будет затруднено, записывайте ответ в полной форме, например: donotknow, вместо don'tknow.

В заданиях, где нужно установить соответствие между двумя столбцами, ответ запишите в виде сочетания букв и цифр, соблюдая алфавитную последовательность букв левого столбца. Некоторые данные правого столбца могут использоваться несколько раз или не использоваться вообще. Например: A1B1B4Г2.

Если вариант задан учителем, вы можете вписать или загрузить в систему ответы к заданиям с развернутым ответом. Учитель увидит результаты выполнения заданий с кратким ответом и сможет оценить загруженные ответы к заданиям с развернутым ответом. Выставленные учителем баллы отобразятся в вашей статистике.

Everyone, whatever their age, can share in the joy and fulfillment of learning, as June Weatherall found out.

§ 1. When I first retired, I thought I'd love spending more time on the gardening, needlework, and other creative activities I'd found so relaxing after my demanding job. But it didn't turn out that way. I found that I didn't want, or need, that kind of relaxation anymore, I wanted to stimulate my mind instead.

§ 2. So, with a couple of friends, I went along to an art appreciation evening class at our local regional college. It was wonderful, but only lasted a year. At the end, I asked my tutor, "What next?" He suggested I attend his history of art access course. "Whatever's that?" I asked. The college had an open evening coming up, so I went along to find out. A full-time access course takes one year and gives you access to university if, like me, you left school without any qualifications, and it's free if you do it full-time. I only wanted to do the art history bit.

§ 3. Lyn, who organises the courses for the college, was enthusiastic. "Why don't you do the whole course? You could start in the spring term with art history, do another module in the summer, then go full-time in the autumn and do all the subjects." It sounded wonderful, but wasn't I a bit old, at 63, to start being a student? A definite 'no'. One of the students that year was 82. That decided it. It must be worth having a go.

§ 4. The art history part of the course, which I've just completed, was stimulating. The tutors are enthusiasts and infect us all with their enjoyment of the subjects they teach. "Lively" would be the word to describe the classes. My fellow students, who are also doing subjects like psychology, maths, biology, etc., are good company. They're mainly people in their thirties with children, taking a second bite at the educational cherry.

§ 5. We have homework and have to do an essay each term for each subject, and sit exams. For art history, we had to produce a journal about all the painters we'd learnt about — which was fun, but rather time-consuming. Occasionally, I envy the more typical mature students, who just do courses for fun and don't have to do exams or essays, but really I'm a very happy lady. There are drawbacks, however. The main one is you have to **make a commitment**. During term time, you can't just drop everything and go out for the day if the sun shines — one of the supposed joys of retirement.

§ 6. Will I go on to university if I'm successful? I'll see how next year goes. Meanwhile, exercising my brain cells is working well for me. I feel alive. The garden's getting a bit out of control, but that's the least of my worries!

An interview with a couple who own a holiday home in the French Pyrenees

Why did you decide to buy a holiday home here?

We have always loved travelling and spending time in different countries on holidays. It made sense to us to have somewhere which was our own, where we could go back to again and again whenever we liked. (1)_____ It has everything we were looking for: mountains, beautiful scenery, good countryside for walking and there are towns and a major city nearby. We looked at some very remote places but decided we wanted to be in a town. We enjoy being able to walk down to the shops in the morning to get fresh bread and walk to a restaurant for dinner in the evening. It was important to us that it was easy to get to for short holidays too so the fact that there is an airport nearby was a key factor. (2)_____ We love both of our houses even though they are very different in style and in very different places.

How did you find this particular property?

We did some research into the area we liked and we looked at adverts on the Internet. Then we went to an agency which specialised in property in the area where we were looking. They were really helpful and in three days they took us to a number of different houses as well as some empty plots of land with potential for building a new property. (3)_____ We spent time talking to the couple who were selling it and looking around the garden as well as the house. It's not a big house; there are only two bedrooms, but it is exactly what we were looking for. It has a fantastic terrace with views of the mountains. It's very picturesque. In fact it is a beautiful place to have a holiday at any time of the year.

What do you like most about owning a second home?

(4)_____ We spend lots of holidays here ourselves and sometimes friends and family join us, but we also let friends and family stay in it by themselves if they want to. It means the house is occupied more, and the more it is used the better. We also like that we have met some good friends here. (5)_____ It means we don't feel like strangers when we're here. Another thing we like is that there is always somewhere new to visit and explore as well as favourite places to go back to.

Would you like to move and live here permanently?

No. We have too much that we would miss back home: good friends and family. (6)_____ We might come for a month or more at a time instead of a week or two as we do now. But we bought it as a holiday home or second home not somewhere to live all the time. We like having both our homes and don't want to give up either of them.
