

При выполнении заданий с кратким ответом впишите в поле для ответа цифру, которая соответствует номеру правильного ответа, или число, слово, последовательность букв (слов) или цифр. Ответ следует записывать без пробелов и каких-либо дополнительных символов. Так как на экзамене распознавание апострофа в бланках ответов будет затруднено, записывайте ответ в полной форме, например: donotknow, вместо don'tknow.

В заданиях, где нужно установить соответствие между двумя столбцами, ответ запишите в виде сочетания букв и цифр, соблюдая алфавитную последовательность букв левого столбца. Некоторые данные правого столбца могут использоваться несколько раз или не использоваться вообще. Например: A1B1B4G2.

Если вариант задан учителем, вы можете вписать или загрузить в систему ответы к заданиям с развернутым ответом. Учитель увидит результаты выполнения заданий с кратким ответом и сможет оценить загруженные ответы к заданиям с развернутым ответом. Выставленные учителем баллы отобразятся в вашей статистике.

When you first meet Beatrice Smythe, you are struck by her wonderful smile and her well-toned muscles.

'Performing on stage is one of the most exciting experiences possible. All the nerves and fright you feel in the wings just melt away when you face the audience. Although you are aware of a sea of faces watching you, this is not what you concentrate on. (1)\_\_\_ If you focus on this, then your dancing will look natural and unforced.'

So how did Beatrice get started? 'I began taking ballet lessons in a local school when I was six. My teachers felt I had talent but after 11 years of ballet, I realised I wanted to do something different. (2)\_\_\_ That was it! I had never seen dancing like this before and immediately decided it was for me. The following year I was offered a place at a London contemporary dance school where I completed a three-year course.'

Today Beatrice is a permanent member of the *Charmed Circle Dance Company*. But was it a difficult transition from studies to career? 'I was warned that the competition would be fierce. (3)\_\_\_ Applying for even the smallest part meant auditioning with dozens of others. Finally, I was lucky enough to be offered a trial period of one year with *Charmed Circle*, even though it meant working without pay. It was an extremely difficult period, as you can imagine.'

'I could have been tempted to join other dance companies on a temporary basis doing one-off paid performances. But this would have meant missing out on the chance to become part of the regular line-up of what is now one of Britain's leading contemporary dance companies.' (4)\_\_\_ But Beatrice's ultimate ambition is to make it to America, where the ideas behind contemporary dance were first pioneered and developed.

When asked about what it takes to become a dancer, Beatrice didn't hesitate. 'You have to love what you're doing, you have to keep pushing yourself to the limit and you have to be slightly mad, too! (5)\_\_\_ Most dancers will tell you how physically painful daily training can be. You also have to be extremely self-motivated'

So what does Beatrice particularly enjoy about contemporary dance? 'Well, for one thing, contemporary movements are so different from those in other types of dance. In ballet, for example, the movements are strictly structured and you have to stick to them. In contemporary dance, however, the movements are more expressive and each have individual meanings in themselves. (6)\_\_\_ This makes them very moving experiences both to perform and to watch.'

§ 1. My parents always said I was born to be a sportsman. They said that even when I was in nappies, I wasn't happy unless I was kicking or throwing a ball. My first memory is of Dad and me playing football in our back garden. I recall my mum sitting down on the grass cheering me on as I clumsily kicked a football into the goal net my dad was 'defending'. The sense of achievement when I scored my first goal stuck with me, and my life has revolved around football ever since. As I grew up, I dreamed of becoming a football player. During class, I tried to stay focused on my studies; I knew that few people became professional sportsmen and it was crucial to get a good education. But I devoted every spare second to my passion. I knew that if I wanted to become a success, I would have to put all my energy into the game.

§ 2. My big break came when I was 18. Leicester City FC offered me a place in the team. It was there that I learned the true value of teamwork. I played with a fantastic group of guys there and we worked toward one common goal — to win! I learned that every person has their own individual talents, and a great team brings these talents together. We enjoyed great success at Leicester, and I was lucky enough to become one of the UK's top scorers I was transferred to Everton and, while I was sad to leave my fellow team-mates, I was excited about working with new people and making new friends. My time at Everton was an outstanding experience. While I was there, I scored 38 goals in 52 games. It wasn't long until I was on a new journey, this time across the sea to Spain to play for FC Barcelona. I was nervous at first, but it turned out that there was no reason to panic. I felt great pride when I stepped into the stadium and onto the pitch in Barcelona.

§ 3. As you can imagine, the proudest I felt was when I played for my country, England, in the World Cup. The tournament raises the level of competitiveness for every player. Not only do you have to be mentally prepared, but you have to be at the peak of physical fitness — so, as you can imagine, it didn't help that I had to play the tournament with my left arm heavily strapped up! But I was determined not to let one injury stop me and played anyway! Because we were a strong team, we got to the quarter finals, and I scored six goals during the entire competition and won the 'Golden Boot' award

§ 4. Football has taken me around the world, from England to Spain to Japan! I have become fluent in two other languages and have experienced other cultures. My career provided me with many happy memories that I wouldn't change for the world.
