

При выполнении заданий с кратким ответом впишите в поле для ответа цифру, которая соответствует номеру правильного ответа, или число, слово, последовательность букв (слов) или цифр. Ответ следует записывать без пробелов и каких-либо дополнительных символов. Так как на экзамене распознавание апострофа в бланках ответов будет затруднено, записывайте ответ в полной форме, например: donotknow, вместо don'tknow.

В заданиях, где нужно установить соответствие между двумя столбцами, ответ запишите в виде сочетания букв и цифр, соблюдая алфавитную последовательность букв левого столбца. Некоторые данные правого столбца могут использоваться несколько раз или не использоваться вообще. Например: A1B1B4Г2.

Если вариант задан учителем, вы можете вписать или загрузить в систему ответы к заданиям с развернутым ответом. Учитель увидит результаты выполнения заданий с кратким ответом и сможет оценить загруженные ответы к заданиям с развернутым ответом. Выставленные учителем баллы отобразятся в вашей статистике.

§ 1. Having decided in later life that it might actually be quite nice to master another language, rather than dusting off my schoolgirl French, I opted for Spanish. Three years of half-finished evening classes later, thanks to the enthusiastic teacher's efforts I could order in a restaurant and ask directions, but my conversational skills were limited to asking everybody how many brothers and sisters they had. The only true way to master a language is to live and breathe it for a period of time. I'd thought of taking a language 'immersion' course (курс языкового погружения) abroad, but two little words always stopped me: home stay. Then I saw that tour operator Journey Latin America had started offering Spanish courses in Peru, amongst other places. The opportunity to realise two long-held ambitions in one holiday — to improve my Spanish and to see Machu Picchu — proved irresistible.

§ 2. My misgivings disappear the moment I am met by my home-stay family, the Rojas, at Cusco airport. They greet me warmly, like an old friend. Carlos is an optician and Carmucha owns a restaurant. With their four children they live in a comfortable house right in the centre of town. Then I'm taken to a family friend's birthday party, where I understand nothing apart from the bit where they sing 'Happy Birthday'. By the end of the evening my face aches from holding an expression of polite, but uncomprehending interest, and I fall into bed wondering what I've let myself in for.

§ 3. The following morning, I'm off to school and get to know my new group mates. We're aged between 19 and 65, each spending up to a month studying before travelling around Peru. We have all clearly got to know about our new families. We're all keen to meet our teachers and see which class we'll be joining, but after sitting the placement test, we learn that as it's not yet high season and the school is not too busy, tuition will be one-on-one. Although some find the prospect frightening, to my mind, this is a pretty impressive ratio — though even in high season the maximum class size expands to only four pupils.

§ 4. As the week unfolds, I slip into a routine. Four hours of classes in the morning, back home for lunch, then afternoons free for sightseeing.

§ 5. As the week wears on, a strange thing starts to happen: the dinner-table chatter, which at first was so much 'white noise', starts to have some meaning and, wonderfully, I can follow the thread of the conversation. What's more, I've started to dream in Spanish!

*An interview with a couple who own a holiday home in the French Pyrenees*

*Why did you decide to buy a holiday home here?*

We have always loved travelling and spending time in different countries on holidays. It made sense to us to have somewhere which was our own, where we could go back to again and again whenever we liked. (1) \_\_\_\_\_ It has everything we were looking for: mountains, beautiful scenery, good countryside for walking and there are towns and a major city nearby. We looked at some very remote places but decided we wanted to be in a town. We enjoy being able to walk down to the shops in the morning to get fresh bread and walk to a restaurant for dinner in the evening. It was important to us that it was easy to get to for short holidays too so the fact that there is an airport nearby was a key factor. (2) \_\_\_\_\_ We love both of our houses even though they are very different in style and in very different places.

*How did you find this particular property?*

We did some research into the area we liked and we looked at adverts on the Internet. Then we went to an agency which specialised in property in the area where we were looking. They were really helpful and in three days they took us to a number of different houses as well as some empty plots of land with potential for building a new property. (3) \_\_\_\_\_ We spent time talking to the couple who were selling it and looking around the garden as well as the house. It's not a big house; there are only two bedrooms, but it is exactly what we were looking for. It has a fantastic terrace with views of the mountains. It's very picturesque. In fact it is a beautiful place to have a holiday at any time of the year.

*What do you like most about owning a second home?*

(4) \_\_\_\_\_ We spend lots of holidays here ourselves and sometimes friends and family join us, but we also let friends and family stay in it by themselves if they want to. It means the house is occupied more, and the more it is used the better. We also like that we have met some good friends here. (5) \_\_\_\_\_ It means we don't feel like strangers when we're here. Another thing we like is that there is always somewhere new to visit and explore as well as favourite places to go back to.

*Would you like to move and live here permanently?*

No. We have too much that we would miss back home: good friends and family. (6) \_\_\_\_\_ We might come for a month or more at a time instead of a week or two as we do now. But we bought it as a holiday home or second home not somewhere to live all the time. We like having both our homes and don't want to give up either of them.
