

## Централизованное тестирование по английскому языку, 2015

При выполнении заданий с кратким ответом впишите в поле для ответа цифру, которая соответствует номеру правильного ответа, или число, слово, последовательность букв (слов) или цифр. Ответ следует записывать без пробелов и каких-либо дополнительных символов. Так как на экзамене распознавание апострофа в бланках ответов будет затруднено, записывайте ответ в полной форме, например: donotknow, вместо don'tknow.

В заданиях, где нужно установить соответствие между двумя столбцами, ответ запишите в виде сочетания букв и цифр, соблюдая алфавитную последовательность букв левого столбца. Некоторые данные правого столбца могут использоваться несколько раз или не использоваться вообще. Например: A1B1B4Г2.

Если вариант задан учителем, вы можете вписать или загрузить в систему ответы к заданиям с развернутым ответом. Учитель увидит результаты выполнения заданий с кратким ответом и сможет оценить загруженные ответы к заданиям с развернутым ответом. Выставленные учителем баллы отобразятся в вашей статистике.

§ 1. Imagine an entire town made up of spectacular buildings of multi-coloured ice. A town devoted to pleasure where you can ride in a horse-drawn carriage, go down ice slides (*горки*) and watch swimming events by an icy river. It sounds like a setting for a work of children's fiction, but this magical scene appears every January on an island just outside the Chinese city of Harbin.

§ 2. Winter in Harbin would be very boring indeed without its annual month-long Ice and Snow Sculpture Festival. Harbin has average temperatures of  $-16^{\circ}\text{C}$  at the time of the festival. So what better way to brighten up winter than with a colourful winter wonderland that recreates some of the world's most impressive architectural landmarks? It's possible to reproduce them using blocks of ice at Harbin because its winters, though freezing cold, are dry. There is a tradition of ice sculpture in the region that goes back hundreds of years and began with ice lantern (*фонарь*) artworks lit by candles.

§ 3. People who have been to the festival say the sculptures are most impressive at night, when they are lit by floodlights or from inside by clever use of LED (*светодиодный*) bulbs that change colour periodically. You can also **appreciate** the amazing detail of the snow sculptures better when there's no sunshine. If you want to see as many sculptures as possible, you should plan your trip for a few weeks into the festival. That's because by then the international snow-sculpting competition that is held during every festival is over and you can admire the creations in all their beauty.

§ 4. If you are more interested in physical activities than art, you'll still find plenty to **amuse** you at the festival. The event is well-known for the long snow slides that are incorporated into the designs of the ice buildings.

§ 5. Perhaps the most extreme event at the festival is the river swimming. Even setting up the event is a challenge. The organisers have to remove enough ice from the surface of the River Songhua to make a pool for the friendly competitions. The brave participants jump into the water wearing nothing but swimming costumes and caps, surrounded by spectators in winter hats, coats and gloves! Although the festival has become well-known enough to attract visitors from outside China, it's rare to see a non-local swimmer in the competitions. In northern China, however, there is a strong tradition of winter outdoor swimming, especially among the middle-aged and the elderly.

1. **Paula West:** Seville, Spain

For our first ever visit to Andalucia we based ourselves in the splendid Parador de Carmona, a former 14th century Arabic fortress, which has been converted into a hotel and restaurant. The small town of Carmona is just a half-hour bus ride from Seville, Spain's fourth largest city and the capital of Andalucia. We spent the morning climbing La Giralda tower before stopping for lunch. The temperatures at midday are very high in Seville, so we cooled down with gazpacho, the delicious cold soup made with tomatoes, cucumbers and peppers.

2. **Jo Smith:** Dubai

Dubai has clearly grown in popularity as a holiday destination since my first visit five years ago. The number of hotels has risen and there are now far more activities on offer to tourists. On my recent holiday there in April, I avoided the water-skiing, windsurfing and horse-riding, and chose instead to visit the oasis town of Dhaid. Being early spring, it was pleasantly warm with daytime temperatures in the low 30s, dropping to a cool 15 °C at night. Dubai has always been a marvellous place to shop, with a wide range of souvenirs on offer in the Bedouin markets. I resisted the temptation, however, promising myself I would buy something on my next visit.

3. **Katie Smart:** Marrakech, Morocco

I never tire of going to Marrakech, and the market, or 'souk', in the old town is always first on my itinerary. It has a wonderful selection of rugs, jewellery, pottery and leather bags, and I normally come home with enough items to fill a suitcase — and my last visit there was no exception. But I am particularly attracted by the tremendous warmth and good humour of the inhabitants of Marrakech, who are delighted to be able to offer their hospitality and welcome foreign visitors to their city.

4. **Fiona Miller:** Lake Garda, Italy

My husband and I chose Lake Garda as our honeymoon destination and fell in love with its magnificent mountain setting and pretty lakeside villages. Based in the medieval town of Garda, we took advantage of the numerous outings organised by our tour operator to the many other resorts on the shores of the lake: Desenzano, with its 16th century cathedral; Malcesine, with its impressive castle built on a huge rock; and Limone, with its distinctive lemon groves and charming beach. We were so taken with the beauty of the area that we barely noticed the light showers which accompanied us on all our trips.
