

Централизованное тестирование по английскому языку, 2013

При выполнении заданий с кратким ответом впишите в поле для ответа цифру, которая соответствует номеру правильного ответа, или число, слово, последовательность букв (слов) или цифр. Ответ следует записывать без пробелов и каких-либо дополнительных символов. Так как на экзамене распознавание апострофа в бланках ответов будет затруднено, записывайте ответ в полной форме, например: donotknow, вместо don'tknow.

В заданиях, где нужно установить соответствие между двумя столбцами, ответ запишите в виде сочетания букв и цифр, соблюдая алфавитную последовательность букв левого столбца. Некоторые данные правого столбца могут использоваться несколько раз или не использоваться вообще. Например: A1B1B4Г2.

Если вариант задан учителем, вы можете вписать или загрузить в систему ответы к заданиям с развернутым ответом. Учитель увидит результаты выполнения заданий с кратким ответом и сможет оценить загруженные ответы к заданиям с развернутым ответом. Выставленные учителем баллы отобразятся в вашей статистике.

§ 1. My parents always said I was born to be a sportsman. They said that even when I was in nappies, I wasn't happy unless I was kicking or throwing a ball. My first memory is of Dad and me playing football in our back garden. I recall my mum sitting down on the grass **cheering** me on as I clumsily kicked a football into the goal net my dad was 'defending'. The sense of achievement when I scored my first goal stuck with me, and my life has revolved around football ever since. As I grew up, I dreamed of becoming a football player. During class, I tried to stay focused on my studies; I knew that few people became professional sportsmen and it was crucial to get a good education. But I devoted every spare second to my passion. I knew that if I wanted to become a success, I would have to put all my energy into the game.

§ 2. My big break came when I was 18. Leicester City FC offered me a place in the team. It was there that I learned the true value of teamwork. I played with a fantastic group of guys there and we worked toward one common goal — to win! I learned that every person has their own individual talents, and a great team brings these talents together. We enjoyed great success at Leicester, and I was lucky enough to become one of the UK's top scorers I was transferred to Everton and, while I was sad to leave my fellow team-mates, I was **excited** about working with new people and making new friends. My time at Everton was an outstanding experience. While I was there, I scored 38 goals in 52 games. It wasn't long until I was on a new journey, this time across the sea to Spain to play for FC Barcelona. I was nervous at first, but it turned out that there was no reason to panic. I felt great pride when I stepped into the stadium and onto the pitch in Barcelona.

§ 3. As you can imagine, the proudest I felt was when I played for my country, England, in the World Cup. The tournament raises the level of competitiveness for every player. Not only do you have to be mentally prepared, but you have to be at the peak of physical fitness — so, as you can imagine, it didn't help that I had to play the tournament with my left arm heavily strapped up! But I was determined not to let one injury stop me and played anyway! Because we were a strong team, we got to the quarter finals, and I scored six goals during the entire competition and won the 'Golden Boot' award.

§ 4. Football has taken me around the world, from England to Spain to Japan! I have become fluent in two other languages and have experienced other cultures. My career provided me with many happy memories that I wouldn't change for the world.

1. David Mulcahy

David Mulcahy is a high-powered stock broker. He owns a beautiful flat in London's exclusive Notting Hill area. As well as a delightful home, David owns a brand new Mercedes, the car of his dreams "The only problem," David says, "is that I never get to drive it to work! I refuse to pay £8 to get in and out of the centre, so instead I take the tube!" "The tube', which is London's metro system, is a cheaper alternative, but David still thinks it's far too expensive. "A day pass on the tube is around £5. So, I pay over £100 each month, just to get to and back from the office!" He goes on, "I wish I could drive my car to work, but it seems that the car of my dreams is turning out to be a complete waste of money!"

2. Rachel Childress

Rachel Childress is the director of a large multinational organisation. Her commute is quite different to that of others. While most people get on the bus, Rachel takes the Channel Tunnel (or "Chunnel"). She lives in England but works in France. One of Rachel's close friends suggested that she should either move to France or give up her active role in the company. But she didn't think so... "Well, it's a brief 35 minute journey and manage to avoid all those horrible, long queues." The 'chunnel' train can accelerate to speeds of up to 160 km/h, so Rachel can even get to work faster than some of her friends who work in London. She says, "If it wasn't for this marvellous feat of engineering, I wouldn't know what to do."

3. Benjamin Goldstein

Benjamin Goldstein is a naval architect and his job requires him to travel to many parts of the world to oversee projects that he is responsible for. "I was offered this job as soon as I finished getting my qualifications and I almost turned it down, because I didn't think I would be able to stand all the travelling. I ☐ it would be just too tiring. Fortunately, a good friend of mine, who also does a lot of travelling, gave me tips on how to cope with it and I've never regretted accepting the job." He says, "If you keep yourself fit and make sure you get plenty of rest before and during long flights, it isn't actually that bad. And good nutrition helps, too."

4. Judith Kettering

Judith Kettering made a big move last year. After completing university, she decided that she wanted to start a new life in another country. She wanted to teach English to foreign children, so she hopped on the aeroplane to Greece and, since then, she has never looked back. "I'm so happy here in Athens, but if there's one thing that annoys me it's the traffic jams! The buses are so slow!" She claims that, sometimes, buses have been up to 45 minutes later than the time stated on the schedule. "I've been late for work several times because of traffic jams and it's caused me a lot of bother!" She has a proposal though. "If more people got on the bus instead of driving, the roads would be clearer and services could run more efficiently. Plus, if you're a bit of an 'earth child' like me, you'll know that getting on the bus or tram is a great way to fight against air pollution!"
